How to make your cards

1. **Print**
   Print pages 3 to 9 on US Letter paper at 100% ("Actual size"). Card stock works best, but regular paper is fine.

2. **Cut**
   Cut along the dashed outline of each card.

3. **Fold**
   Fold each card in half on the dotted center line, with the printing on the outside. A little glue stick inside keeps it flat.

4. **Carry**
   Keep this week's card in your Bible, wallet or purse. Punch a hole in the corner to keep them all together on a ring.

Ways to use them

- Read the front aloud three times, then look only at the first letters on the back.
- Prop a card by the kitchen sink, the bathroom mirror or the car dashboard.
- Review past cards on the day you finish each level, or once a month.
- Share a card with a friend or grandchild, and learn the verse together.
- Use the two blank cards on the last page for verses of your own.

Scripture quotations are from the King James Version (KJV), public domain in the United States.
